The Premises:

Serviced appartment just off shopping district - very easy to find and discrete entrance - no issues. plenty of parking close by - shower facilities offered very clean place.

The Lady:

Blonde enhanced Lithuanian girl - my kind of look (years ago I had a few great experiences with another that sadly left to return home) so very happy to have found a new one - 30-35 probably would say - probably D cup - definetely good handful - matches her photos exactly - to be honest local girls not always upto their photos bit hit and miss I've found recently ...but not this time - really hot looking dressed up stylishly - lovely lingerie underneath.

The Story:

Booked for one hour - sadly had to leave after 30mins due to call but she gave a great OWO BJ - those eyes staring up were great - wanted to taste her so we did 69 for a while until I came pretty hard - but then had to leave after about to begin round two...not sure if she took it all in her mouth or not but certainly wiping her lips after didn't seem to bother her too much - only downside was a bit of fake talking when I went down on her - started up when I looked up at her but not really an issue - she loved looking at herself in the mirror whilst in 69 position which was a turn on - certainly will return when she is back (think every month for a week) - very nice person not rushed and kisses passionately so all in all great find locally to me and will return with phone off next time!
