The Story:

So I had tried to book her before and she was fully booked
Spoke with one of the new maids
Lovely brown British girl (if you ever try your hand - don't worry I'll snap you up)

Anyways so I got up to the the flat she opened the door
Gave me water

Started to wank me and give me head
She does a lot of hand work too so if you are not prepared you can be in danger of busting your load
She said if you about to come tell me and I said oh I will I don't want you killing me and she said yes I will with a cheeky smirk

So after a great bit of head I asked if I could return the favour and she said yes
I proceeded to do my thing and if you ask the bellas ladies lucky to experience it's something I'm pretty gifted at
So I know I got her well well stimulated and had her juices flowing

On with the rubber and I was on top

She had her eyes closed and feeling every thrust
She came on top and rode it like a rodeo
She was in complete euphoria bouncing up and down
To that sweet sound of clapping
After a while she said you are killing me now lol

Then to doggy - pounding and pounding as she moaning
I gripped her thighs and lifted her up pounding
In synch with her waist movements to a massive explosion

28 mins gone and it was total bliss
I love her little feet, cute smile and cheeky hard to get attitude

She game me her all and it won't be the last I see of you just because such a connection deserves
a round 2

Kisses petal
Thanks for a great afternoon
Till the next time x
