The Premises:

Easy visit in Bayswater, not far from tube. There is an elevator and the place is safe and secure. Nice apartment inside, done out with nice lighting and a very sensual atmosphere. Not great showering facilities sadly, a bit cramped and dirty.

The Lady:

Patty is the girl in the pictures, but she's a little older in person. Very skinny. Lots of fun and keen, speaks reasonably good English. Dressed in what looked like a bikini.

The Story:

Started with some kissing, which was ok, but not great. Her OWO is not fantastic either really unfortunately, and only really played with the end. Sex in missionary and from behind before OWO and CIM to finish. Not overly impressed with the sex part to be honest. The massage at the end however was very good considering that she had hurt her finger earlier in the day apparently. With all the great Thai girls in London at the moment, I wouldn't repeat this booking.
