### The Lady:

Crazy sexy, have punted for years but probably the best body I have even seen, brunette early 20's, slim but curvy, beautiful legs and the most amazing tits

### The Story:

Had a walk in and was greeted by Isabella, immediately knew I wanted to spend time with her. Sorted out the paperwork and started to cuddle and kiss. She then removed her clothing and lay down on the bed, the next 5 minutes was spent licking out her amazing shaved pussy that tasted so sweet, no owo but that was ok I was happy to eat her out for as long as possible. Eventually covered up and I went on top at first, her legs over my shoulders as I fucked her tight pussy, her tits I could not stop looking at as they bounced. Followed by a spell of cowgirl and doggy (which was incredible) I then asked if I could unload over her tits (she thanked me for asking) which I thought was sweet. I then lent over her as she held her massive tits and I came covering both tits in a load which never seemed to stop.

After we had a good conversation and Isabella is a really friendly and of course hot lady who I would love to visit regularly.

Marcus ( the guy who you thought looked good for 48 ????)
