The Premises:

House of Devine well established and usually well run parlour. I prefer the basement but the first floor flat is ok. First floor bedrooms are clean and nicely furnished.

The Lady:

Isabella is a mature Spanish lady. False tits, nicely curvy, late forties to early fifties I suspect and the images on HoD filtered or taken some time ago. Pretty MILF and business like but not unfriendly.

The Story:

I had booked with Apple - 65 incredible reviews on the HoD the woman is force of nature and I must see her but my schedule was too tight this time. I then opted for Isabella and there was a pause on the phone as if they were surprised by this. Arrived on time, made it upstairs and shown to the bedroom. Stripped by the time Isabella came in wearing lingerie nice! Paperwork done she laid down spread her legs and got me to suck and lick her pussy. Very nice it was too but she didn't seem very turned on by my efforts. Then on with the condom no sucking with or without which is not the usual HoD way but I was ok with getting to the sex and pumping her. Isabella didn't want to spread her legs too much or have me lean on her too heavy or get in a position for too deep penetration. Her comfort zone in missionary is very narrow. Then had some cow girl but briefly then doggy again not too high or deep but the saving grace was her wanting to lie flat from doggy and clench her legs together. My God the feeling was incredible and my cock felt and looked a drainpipe forcing its way between her fabulous buttocks into her cunt. I had a glorious time pumping her that way and I think she likes that. I then told her I was going to cum inside her and shoot my spunk into her wet cunt. Back into missionary and I rode her for a short while till I shot my balls when up to the hilt. I waited till every pulse had gone through my cock and then she kicked me off of her when she'd had enough :-). I was surprised she was so chatty afterwards. We did have 10 mins left and I found myself confiding in her which was a surprise and down to her lovely character.
