The Premises:

Parking is near the establishment, found a parking space easily and is free which is an added bonus. Inside the venue it is spotless, smells clean and fresh and showers are clean and well maintained, they have a push button to activate and save water.

The Lady:

The young lady is 27, was her b'day last week, around 5ft 4 in height, white with lovely smooth soft skin. Her photos don't do her justice at all! She is a must see and has an absolutely banging body which made me go weak at the knees, lovely tattoos and gorgeous soft skin, smelt amazing too, her perfume was lovely, lovely silky hair and a great set of pins, her boobs are lovely, vagina lovely and shaved, her fingers and toenails were painted, she really looks after herself, guys this girl is defo worth seeing! Oh, and her Italian accent is such a turn on!!

The Story:

So, was taken upstairs to the room where I got offered a drink to which I said no as I had a bottle of juice already and was unsure if they were offering drinks due to covid. Got undressed and she entered the room! Wow, she caught my eye straight away, meet n greet done, her tunic was whipped off and we did a Hindu mantra's and prayer together, always best to ask the divine great one for blessings over me and the young lady. On my back for a massage, amazing, body to body was lovely and the tease was sooo nice. I massaged her, which she liked and then she asked me to lay down and do my front to which she noticed my massive hard one! Stroking my dick and playing with it was nice, her feet got involved too as she started massaging with my dick with her feet too which was lovely. Then she wanked me off and I shot my load everywhere! Had a nice cuddle and chat after she wiped me clean, showers done and money paid up and I was on my way happy as Larry (whoever he is) she is defo must see and if my favourites are not in and Scarlett is, my decision is not a difficult one. Thank you Scarlett for a lovely time! Xxx
