The Premises:

As mentioned in the many various reports on this establishment is a comfortable and safe location in a safe neighbourhood and clean towels and showers available etc.

The Lady:

Anna is a sexy hungarian lady but you would not know by her voice as she speaks excellent english,size 10 with nice 34D boobs,sexy bum and nice legs but contrary to other reports is no longer blonde but is now a brunette but still very attractive with long brunette hair.I had phoned and booked her the previous day so never saw the other 2 ladies working and she was chatty and bright and bubbly.

The Story:

Anna was very bright and bubbly right from the start and this was our first meeting after i had seen her pics on erotic studios website and having read her previous reports on here was dying to meet her at last,she was dressed in sexy black lingerie and black fishnet stockings and i was very attracted to her from the start.She first gave me a nice relaxing massage as i had booked the hour as i hate to rush and we had plenty of time.She delivered a wonderful blowjob and then i only too happily returned the compliment giving her a good licking and she came,was certainly time to get the condom on and enjoyed a good ride with her on top riding me with her tight pussy and lots of DFK and then i got to see the lovely rear view as i took her doggie.All the time from start to finish was lots of DFK and laughing and joking and she was charming and bubbly and great fun the whole hour.I will definately be going to see Anna again before long and the like of stars like Mel and Paris may have left but i think a new young star is here to follow in their footsteps.

In summary a charming and funny sexy lady who delivered a great GFE service and is a credit to the studio in my opinion.
