The Premises:

Location is near a shopping area with 1 hour free parking. The place is clean and tidy, shower facilities are there as well.

The Lady:

Angel seems to be a really nice sweet, easy going person, very obliging and a good conversationalist. She is 24, fairly tall, very slim body, nice toned body.

The Story:

Entered the premises, was asked who I was seeing, and was lead upstairs. Angel came to the bedroom shortly after.

She asked what I wanted and we sorted the paper work out.

She started off massage from behind, then body to body massage from front, then OWO, 69, doggy style, missionary, then reverse cowgirl, and finally her on top facing me. Her body is so hot and slim, and face pretty, that I finally came inside her.

Cleaned up, and as there was still time left I asked for a back massage. I was offered a shower as well. Only negatives in my opinion were, I was discouraged from licking her vulva and nipples as they were too sensitive, also no dfk, just a few kisses. Overall a good experience, such a lovely easy going person, treat her well.
