The Lady:

Closely matches pictures has lost weight since my last visit. She wore a stockings and suspenders outfit that was sexy and had makeup. She appeared lose to her stated age of 29 years old

The Story:

I was greeted at the door by Alya and she was effusive and remembered my previous visit before all the lockdown nonsense. She got me a drink and showed me to the end room which we used. I handed over the payment and then we kissed near to the radiator which was quite light teasing french kisses which she kind of used in a kind of burlesque style of enticing moving away and turning around and grinding my cock with her ass into erection.

We moved to the bed where she gave me a covered blow job before i asked her to ride me. She has enhanced breasts with quite pointy nipples it was nice to have a good handful of her tits while she fucked away and she quite powerfully moved her hips on top of me. (Maybe she's good at strap on which is another of her services on advanced request as she can be dominant too) Next i took her from behind in doggy position which was nice also. She applied a little more lube in order for me to pump away in missionary position for my thunderous finale. All in all a great punt that takes the edge off the retirement of a few of the girls recently. Great to see Alya back and more sexy and in shape than ever before.

She deserves a good review and repeat visit unlike others i have reviewed. I don't think any man would be disappointed to have the chance of an encounter of this kind with a beauty like this.
