The Lady:

Physical description matched photos. On my visit hair was crimped with curls and lighter shade of brown than most profile photos. I found her very pleasing to the eye. She appeared about 20, came across as a bit young girly and inexperienced, new to industry. Very keen on neatness, tidiness and hygiene, leaving clothes on the floor is a no no. Peaceful and gentle and only soft gentle touch permitted. Even a hug had to be like a flacid handshake. conversation was ok but English vocabulary a bit limited, she is from Romania.

The Story:

Buzzed into block, chose to walk the stairs rather than lift. Pricilla sexily dressed let me into the small apartment and took me to cosy small room. chatted a few minutes and settled the payment. She insisted I had a shower even though I had had a bath prior to arriving. She accepted me just washing my genitals in the end. Back in the bedroom on the bed half dressed and her in red sexy underwear I attempted to kiss cuddle and hug, although she was very pretty and attractive to look at, for me there was no sexual chemistry. I had brought along some massage oil, but putting massage oil on her body was a no no. She worried also about her hair getting messed up if touched it, but allowed me to touch her hair a bit and kissing her on the lips was ok. Both fully undressed she allowed me to go down on her, I enjoyed this although she smelt and tasted very antibacterial from whatever she used to wash. She gave me some owo and owc but although it made me feel like cumming it was not making me feel stimulated in a way to have a proper erection. We tried a bit of missionary which lasted about 2 mins and I came. we then lay on bed and chatted for last 20 mins. Overall it was a peaceful relaxing hour, it was enjoyable overall to meet Pricilla although sexually we weren't really compatible and connection was a little superficial. Can imagine some men would find her amazing sexually. I personally would not rebook
