The Premises:

Nice and easy incall not far from Earls Court. Liara's apartment is small, but very clean and tidy. Felt safe and secure.

The Lady:

Definitely the girl in the pictures. Late 20's. She is certainly on the more curvy side, with a big round ass. Looks incredible, very naturally beautiful. Big natural boobs. She speaks really good English, and she's very friendly. Has a few tattoos, including an entire sleeve. Lots of fun to be with.

The Story:

She greeted me in sexy black lingerie with a negligee on the top. Very confident and friendly. After some lovely kissing and touching, I had a shower and returned to see her naked on bed. She stood for me to take a look at her. More very passionate kissing and fondling of those lovely tits before we hit the bed for some fantastic OWO. I could have quite easily have let her carry that on. Great eye contact, nice and vocal. She gets quite a lot in there too. I only wish I could last forever.

After this she rode on top of me for a while, letting me do most of the work whilst I held onto that big ass of hers and had those boobs in my face. Again more kissing. This was starting to feel more like a girlfriend than an escort at this point, because she was really getting into it and was quite vocal about what was working for her. Already nice and wet and clearly close to climax, we went into missionary for a quite a while. I held her tight and more kissing. She asked me if I wanted to make her cum, and I of course said yes. She said it felt good, and she began to put her hand between her legs as I moved one leg off her and played with her tits whilst fucking her and kissing her. She came soon after and I stopped to stroke her hair and face whilst kissing her. She really was something else.

We started up again as she moved against me and it wasn't long before she made me cum too. What a wonderful woman! A top experience.
