Details of Service Provider:

Profile Name: Dollar-Seductive High Class Escort -Treat Yourself

Website: <https://twitter.com/dollarmk69?s=11>

Phone: 07428343775

The Premises:

Nice flat in the The Hub, MK.

Plenty of parking in the area and can pay by card.

The Lady:

Once I had managed to find the flat, Dollar answered the door wearing nice red stockings and suspenders - like an early Christmas present.

Exactly what I had expected which is a very pleasant surprise as I am finding more and more online photos are brushed, but Dollar was stunning and exactly as her online photos.

The Story:

I had wanted to see both Dollar and Michaela for some time having never managed to see them when they were at Annabellas.

With MKE not being able to tell me what girls would be at what location in advance, I found it not possible to make a booking as I like to book 2-4 girls back to back but for that to work they need to be in the same location.

So what better time than to try and see Dollar and Michaela. Contact made via twitter DM and text messages and all was setup for me to see them for 90mins each starting with Dollar.

I had high expectations having read previous reviews, and I was certainly not disappointed.

I put the money on the bedside table and got undressed.

No time wasted in getting onto the bed and what followed was 90mins of non-stop OWO, handjobs, DFK and CG. Conversation flowed which added to the enjoyment.

Now usually when I see multiple girls I always tell them that I don't want to cum so that I save the finale for the last girl I see.

However on this occasion I made an exception when I asked Dollar if I could CIM and she said she loved it - so after 90minutes that flew by and Dollar keeping my cock hard for the full duration, I finally finished with CIM.

Now it was time to spend the next 90mins with Michaela, so I picked up my clothes and went to an adjacent bedroom where I waited for Round 2 which is a separate review.

Anyone that has not yet seen either of these 2 girls then you are missing a treat.
