The Premises:

Nice flat in the The Hub, MK.

Plenty of parking in the area and can pay by card.

The Lady:

I had just finished a 90minute session with Dollar, and I was now in another bedroom awaiting the arrival of Michaela for another 90mins!

Whereas Dollar was exactly as her photos, Michaela doesn't show her face online with it being blurred out, so I was a little unsure as to what to expect.

Michaela came into the room and she was smaller than I had expected, but I needn't have worried, Michaela is a very pretty girl with cute breasts (much like April at MKE).

The Story:

The very tight and short black dress Mickey was wearing showed off her thighs to perfection (must admit I am a thigh man!) and she wasted no time in introducing herself and showering me in kisses. Having made it onto the bed, I apologised for having just cum with Dollar and giving her the unenviable job of not only getting me hard again but getting another cum out of me.

Michaela rose to the challenge and I enjoyed a prolonged session of OWO, handjobs, CG and reverse CG. To my surprise and to Michaela's credit I was soon hard again and asked Michaela to finish me with a handjob which she did perfectly.

We then laid on the bed and had a really good chat that I thoroughly enjoyed as it makes me feel as though I get to know the girl just a little more.

Time was soon up and I left with a smile on my face looking forward to the next time.

As I said in my review of Dollar, the same applies here - if you have not yet had the pleasure of seeing one or both of these gems, then you are missing out big time.

Thanks Mickey for a great time xx
