### The Premises:

Normal place in cmk

Clean and somewhat discreet

### The Lady:

Exactas her pictures

Actually I would say she is better in real life than her pictures

Really lovely girl

### The Story:

So rang door bell

She answered and let me in. Was a few minutes late due to mad mk traffic on a Saturday.

Put her cash in between her breasts!!!

Ow .. I preferred owo but as she doesn't offer I said I'll settle for it as it has been a long time coming meeting this woman.

She is good - not a lot of hand action all mouth

We swapped and I started to eat that lovely pussy of hers

She enjoyed every minute of it saying you are a teaser lol

Then on to some lovely missionary and that clapping sound

Loads of kissing ... I kissed her nose and she replied that's so sweet lol

Then she came on top

My days what a sight - she still had her heels on

Squats on top of me and the sight of her pussy gripping my weapon was just immaculate

She said came for me Mr black panther and I was right there almost about to explode !!!

Managed to hold on lol then switched to doggy

She put her head down and started to message my balls as I penetrated her to finish!

Such a lovely lady - I requested she comes back to mk cause she really is lovely and she said she will think about it  
Maybe 1 or 2 times a month so when she's next in gents get booking  
Treat her right and you'll have a great time
