The Premises:

Downstairs at HoD, not far from Victoria Station. Flat generally pleasant and feels welcoming, though shower could certainly do with refurbishment, and bedroom at back has a large crack in the wall.

The Lady:

Jess is beautiful. Not tall, slim, lithe, everything in proportion. Mid twenties. The pictures on the website, while not inaccurate, obviously don't capture how attractive she is. Lively, clever, funny, interesting, too.

The Story:

Arrived a bit early, let in by a lovely naked woman who turned out to be Jess. After a short wait, and a thorough washing in the dodgy shower, back into the bedroom. Jess came in, now in lingerie and heels, and a blissful experience began. Light kissing and hugging. Removal of heels, more kissing. Removal of lingerie. Onto bed for skilful oral without. Some 69 enjoying her beautiful foof. Then (covered): (a)missionary (b)scissors (no, it's not just for women)(c)doggy (d)cowgirl (e)missionary (reprise), including deeply satisfying finish.

Followed by a natural and relaxed conversation, which Jess (whose English is excellent) seemed in no hurry to end, but eventually I thought I should, since my time was up.

Thoroughly recommended.
