The Premises:

Owing to the Corona virus the following changes are in place at the Old Coach House:

You must wear a face mask when you enter but you can take it off once inside, a bit like going into a restaurant.

The waiting room is closed, so arrive at the time of your appointment and hope that she is not running late.

Once inside your temperature will be checked and you must use the hand sanitizer.

Having been shown to the room you must have a shower.

The Lady:

Her photos do not do her justice. She has an attractive face, lovely figure, boobs that you just want to fondle and

a pert firm bottom. What her photos don't show are her tattoos, she has a large one on her thigh.

The Story:

The session started with me on my front. Scarlet massaged me with her hands and did some B2B slides. At one point

she sat on my bum while rubbing my back. The only other girl who has done this was Roxy, who is now long gone. There

were some very erotic reach unders. So much so that I had to ask her to stop to avoid a premature happy ending.

After I had turned over there was lots of boob and bum fondling while she teased Percy. She sat at the bottom of the

table and asked me if I wanted her to rub Percy with her feet. This was a new one for me so I said yes. It was okay

but nothing more, I am not a foot fetishist. So next time I see her I will give this a miss. There were some face to face

B2B slides. Finally she got on her front and let me press Percy against her bum for a happy ending.

Scarlet is a worthy replacement for Jamie. I will definitely see her again and can thoroughly recommend her.
