The Story:

My experience was perfect in every way. Eveline is a very genuine calm easy going escort with 5 years experience and I loved the fact she sincerely still loved her job, she put me at ease straight away and there was no rushing just total connection and flow in the moment. She totally accepted me as a person and was sensitive to my wants and extremely giving sexually, she got very wet and it was great seeing an escort who didn't need to use gel. Also I especially loved going down on her pussy and the little piercing above her clit. Also she has excellent English and it was great she was able to converse in a mature intelligent way. She is a very sexual person and loves sex and foreplay and I would definitely love a revisit to experience more. If this is the body type you go for, I reckon you will definitely have an amazing time with Eveline, I did anyway.
