The Premises:

Mimi has recently moved to a nice first-floor flat in a familiar block on Queensway, a few minutes from the tube station. It has a good size bedroom, a comfortable bed, and a decent bathroom.

The Lady:

Mimi is a slim, petite Thai girl in her late twenties. She is just over five foot, with a perfect figure, firm enhanced breasts, and a cute bottom. The photo collection on her profile page closely match her true appearance.

The Story:

I had enjoyed Mimi's company once before early last year, and pre-pandemic. She was newly arrived then, but was now more confident and relaxed, yet still retaining that sweet-natured willingness to please.

After a shared shower to start, we then returned to the bedroom to enjoy the full range of her listed services. I'm pleased to say that she appeared to get as much pleasure out of our time together as I did.
