The Premises:

A couple of minutes walk from Barons Court tube. Two bedroom flat with a lounge, small toilet & shower. Feel safe in the surrounds inside and outside. Host was new to me and very welcoming and helpful.

The Lady:

On this occasion there were three girls, Jess (Northern lass), Nicole (Romanian) and Nina (can't remember where she is from sorry). All the girls were very attractive, Nicole is larger than her photos suggest which isn't an issue for me and I've partied with her before.

The Story:

Been going to these parties for a number of years now, not as often as I'd like and never disappointed. These three ladies were attentive and accommodating as always. There were only three guys one of which was his first party and left early and the other left with around half an hour to go so I had plenty of attention. Soft drinks and nibbles are always available in the lounge when having a break and the two playrooms are just about big enough, but only just.

When you arrive it is expected that you shower and therefore clean which provides for a better experience with the girls, but this is the second time the hot water didn't work which isn't ideal.

That aside, it was another brilliant experience with three great girls, we chatted at the end and Nina is one interesting lady if you get the chance. Had OWO and sex with Nina and Nicole but didn't get the opportunity with Jess due to time running out, maybe next time!

Can't recommend these parties highly enough, great VFM and great ladies.
