The Premises:

A discreet flat a short walk away from Bayswater tube station. The only snag was a security guard inside the foyer, but he let me through to the lift without any questions.

The Lady:

A large, Thai lady possibly in her late 40s. It was a bait and switch. I was expecting to see Suzy and was somewhat disappointed. It would have been difficult to walk so I proceeded.

The Story:

I paid the £30 for the massage and was immediately asked if I'd like a happy ending. I agreed and handed over another £20. The massage was performed on a table and I opted for medium pressure. The massage wasn't too bad and I did enjoy it. When she reached my neck she gently stroked my hair and it was really relaxing. Towards the end of the massage the reach unders and ball tickling began and it did the trick. I turned over and received an oily hand job. I asked for topless and she lifted her ample breasts from her top. They felt enhanced, but I could be wrong. Had it just been a phone box card with a name I would have given a neutral rating, but because it was Suzy's profile I rated it negative.
