The Premises:

Kiki lives in a small flat not far from Great Portland Street Station. It's small but cosy inside, easy to access and find.

The Lady:

She is the girl in the pictures. I expect that she's in her late thirties to be truly honest. An average body. She's friendly and polite, not that much English, but easy to communicate with.

The Story:

The session was not the best to be honest. I was expecting much more considering what the AW profile claimed. Her so called specialist massages were non existent. It was just an excessively long rub down on my back with oil to kill time I think. DFK – the 360 BJ, the DT, all are there just to lure you in, they're not available. She kissed with her lips tightly closed. BJ was second rate at best. Sex was not very enjoyable at all, so I didn't bother with that. Settled for a HJ and left. Not recommended at all.
