The Story:

Caught sight of Jenna when I first cam in and knew I had chosen well. Grabbed a shower and waited for a little while to Jenna to appear. She hasn't been working for very long so she was nervous, we got the paperwork out of the way and started with some frantic DFK! I explained that it was ok for us to relax and take our time. She peeled off her sexy underwear to reveal a great body and dropped to her knees for some oral (frantic still!)

I guided her back to the bed and returned the favour which she enjoyed, like she said keep doing that and I will come, which of course I carried no for the promised result. Then it was on with the worlds smallest condom! I think this just a new person mistake but definitely needs to have some size options!! We then indulged with some noisy sex with me on top before I whipped off the condom and came on her body.

Would definitely go back, she is great fun and chatty and once she settles in will be a great asset at MN
