### The Premises:

Parking is free and easy at Ego and as usual the cleanliness was top notch as usual.

### The Lady:

WOW, WOW, WOW... What a little beauty.. Every so often Ego employ a young lady that makes your jaw drop and in Scarlet they have certainly done that.. She a little stick of Italian dynamite that will make you explode, about 5 foot 4 tall without her heels, sexy Italian accent and a body you only dream to have glide over you.

### The Story:

Arrived on time and showed upstairs to the room by the wonderful Milly, as i was getting undressed Scarlet came into the room and i just stopped and looked as she looked amazing. We talked as i got into the shower and Scarlet removed her Ego dress to reveal that lovely body.. She dried my back for me and i jumped on to the table face down and she asked how i would like to be massaged, this i left up to her and thoroughly enjoyed every minute of it and it was made even more special because she sat on my legs so she could massage my back properly with a little bit of teasing you know where.. When she asked me to turn over i was able to gaze at the beauty of the girl and see that lovely body which i enjoyed touching why she built me up to the inevitable eruption. Gotta say the conversation was easy going and i enjoyed my time with her, but must say 30 minutes is not enough and il be back there tomorrow for longer.
