The Premises:

An upstairs flat not too far from Victoria Station. The entrance wasn't discreet, but it felt safe.

The Lady:

A size 16 black girl with very large breasts. She was very friendly, educated and polite.

The Story:

It was an enjoyable session, but she was a couple of dress sizes larger than I'd hoped. She was though really pleasant and I have no complaints about the session. I started with a visit to the bathroom to clean up. On my return I just focused my attention on Felicity's breasts. They were big and firm, F cups. Felicity stroked my balls and gave me Oral without. I ended the session by coming over her breasts.
