### The Premises:

### The Lady:

5 foot 3, 29 years old. Slim brunette, naturally attractive. The photos on her site are definitely accurate.

### The Story:

Natalia arrived right on time, looking nicely conservative for visiting me, but I was instantly impressed. There is always that feeling of not quite knowing whether reality will match your expectations, but no such worries here. Once inside we had a brief chat about the band that was playing at the Motorpoint (The Offspring), and Natalia went to freshen up. I had asked about the possibility of her bringing her oils and perhaps a uniform of her choice, and was not disappointed. She came out looking fantastic in her sexy office wear and heels.

We stood by the bed for a while kissing, undressing and exploring (she had a great slim body, with natural breasts), before lying down where I asked Natalia to start with the oils. Natalia asked if I wanted a sensual massage or more of a proper one. I opted for a proper one (long day) but with Natalia naked, it was only heading in one direction. After that, plenty of oral (great technique) both ways (I really enjoyed going down on her, she has a lovely pussy) before she went on top for cowgirl to finish.

Overall, a great experience with a really lovely woman.
