### The Premises:

The booking took place in a very neat and cozy flat with a clean shower and facilities.

Very posh and discreet looking building

was offered a drink and a shower upon arrival.

### The Lady:

Lara is an attractive Thai lady as seen on the agency website with a few more years added, putting her at roughly 35-40ish .

However her body is very much on point to the photos with medium / small natural breasts, small waist , slim stomach and a small bum.

### The Story:

I had booked Lara upon the recommendation of the Agency when I mentioned I was looking for a girl who did A-level.

I arrived at her flat right on time and was welcomed in by the lovely Lara in black lingerie and was offered a bottle of water before having a quick shower before proceeding to the bed.

I tried to make some conversation since she had barely said 5 words so far and thought either her English was quite basic or she just didnt like to talk that much.

We started off with some light caresses and light massage before Lara started on a very gentle Oral that went on for quite a while. I suggested we change to another position , face sitting, since i badly wanted to taste her, she nervously complied and got on my face but barely sat down and just hovered over me. She got tired and stopped less than a couple of minutes in and i told her to lie down so i can carry out eat her out, however that too she shyed away from a few minutes later and went back to giving me slow and passive oral

Told her lets move to CG and she hopped on after slipping on a condom, to be fair, she felt really nice and tight !

we carried on in CG for barely a 2 minutes before she sat down and rolled off to lie down without saying a word and opened her legs for Mish.

Instead i asked her for doggy, she got into position and i took a moment to admire her ass before bending forward to tell her i really wanted to do some Alevel, but she just carried on as if she didnt hear a word,

It wasnt a case of poor communication , i feel she knew what i asked for but was acting as if i hadnt said anything before reaching back to slip me into her pussy.

I carried on and finished in doggy before she disposed of the condom and cleaned me up before getting on the bed next to me, there was still 20 mins left on the clock.... but apparently that was it, no round 2 or even a massage.

Had a bit of a chat which we muddled through enough to talk about Thai food and a little bit about herself, her English turned out to not be as bad as I thought since with some effort we were making some conversation.

I hoped there would more to come , i suggested some 69 but she just smiled and carried on with what she was doing , I found it quite peculiar how her understanding of English eclipses at certain moments.

she just kept on carried on rubbing some moisturiser and ointment on her shoulder and foot.

Had a shower and left slightly before the hour was up.

This was decidedly a negative for me

This is my 10th booking with Invasian over the last 5-6 years , I've booked some of their stars like patsy , zizzi (three times), jennifer , min min , mata , jenny. I am very much dissapointed in the drop of service from them.

I have left them a review on their website but they have neither uploaded nor replied to it in the last 2 weeks, Perhaps the internet gremlins ate it.
