The Premises:

Sophia has a nice little flat, easy to find and not far from Oxford Circus station. It's cosy inside and comfortable. Sadly her hot water wasn't working for the shower because it's due to be fixed, but otherwise it's ok

The Lady:

Sophia is the girl in the pictures, but there is a little photoshop. She's absolutely beautiful with real big natural boobs. Slim figure and very petite. She told me she's actually 39 years old, which I found very hard to believe, because she has a smoking body. Very friendly and chatty. Not bad English at all.

The Story:

I've seen her a few times before, but in a different flat (again in the Oxford Street area). She's been doing this about 4 years by my reckoning, and now she says she's packing it in before Christmas. So if you want to see this lovely woman, you'd better get your bookings in soon. She's off back to Thailand for a while then opening up her own (non sexual) Thai massage business somewhere in London.

She greeted me in her favourite schoolgirl uniform. It makes her tits look incredible. She had a tiny little black thong underneath. After a little kissing it was straight down to it. Great OWO as usual from Sophia. Nice and wet and sloppy. I could have had her carry on to completion as I have before, but I wanted a little more this time considering she was leaving soon. She suggested some doggy in front of her big mirror. She's very vocal. It's great to grab onto those big tits whilst she does this. Then we switched to some anal sex. She has a nice tight ass.

I opted to end it all with some more of her great OWO with an earth shattering CIM.

Finished the session with a great massage.
