The Premises:

Well-known basement flat location 10 minutes walk from Victoria Station. Some facilities have seen better days but the bedrooms are well-furnished and clean, and the atmosphere hospitable.

The Lady:

Mixy is very attractive, smiling, friendly and confident, with a mature, well-proportioned, shapely body designed for sex - full breasts, large responsive nipples, and generous nether lips.

The Story:

Within the first few minutes I realised Mixy would give me a memorable experience, and luckily for me I was able to double my stay to 2 hours. Fresh from the shower, the action began with kisses and embraces, with Mixy stripping in front of the full-length mirror, then to the end of the bed sitting astride my right thigh, before sliding down to kneel and pay more attention to my penis. On the bed together next, and Mixy made me feel like a lover not a client. After bringing her to orgasm with my mouth and tongue Mixy returned the favour, spicing her fellatio with gentle expert prostate massage (which I've never enjoyed before) which elicited a prolonged intense orgasm which I thought had emptied me, only to fill a condom 45 minutes later during a missionary finale with Mixy. In between I also chose to extend my vanilla boundaries by asking Mixy to sit on me for a second session of reverse oral - and we still had time for lots of conversation! And then down to Tate Britain to the Hogarth exhibition, having experienced my own version of The Rake's Progress in Mixy's wonderful company. Thank you Mixy for an unforgettable afternoon - I hope to repeat soon - carpe diem, as Horace said.
