### The Story:

TO be fair, I only booked Sonia as a last minute thing as the girl I had booked (the lovely Luiza) couldn't make it in. I notice Luiza is no longer with HOD so I'm glad I got to see her recently while she was. Anyhow, on to Sonia. Physically she is totally my type so just seeing her was a turn on. She doesn't list her services on the HOD website so I wasn't sure what to expect. First off no fk let alone dfk which is always a shame, instead a few gentle pecks on the lips. She seemed a bit reticent at first saying I had cold hands (it was a bleak day) but we broke the ice with some oral both ways and Sonia does offer owo (well, she did to me) which she delivered very nicely. I totally loved sucking on her sweet pink clit. I let her ride me first, then me on top and then a bit of doggie. Sonia kept asking me if I was okay to which the answer was always yes and I asked her the same to which she replied yes. She was making quiet sounds of appreciation throughout. I asked about cim to which she demurred but said why not come in the bag inside me. I decided instead to let her finish me off with a hand job so I could feast my eyes on her cute body with its so sexy curves. That sight and her lubed hand round my bell end had me coming hard in due course. An efficient clean up then a sweet chat before heading out. On reflection a very sexy encounter if not the most passionate (and I do like a bit of passion).
