The Story:

I was welcomed inside by the host and given a drink, shown to a nice room where i awaited Jules. In she comes. She looks stunning. I was really excited. I was told to get onto the bed, no kiss, no touching, which i like but i got the idea it wasnt on the cards, so straight into OWO. She literally had me in her mouth for 90 seconds, and stopped. She looked so bored. She then wrapped me up and got on top again for literally 90 seconds, then she asked if she asked if she can go into doggy. She obvs knows most men finish faster in that position. The whole thing felt rushed, i didnt feel comfortable. And then she didnt speak afterwards whilst i got dressed. Was shown to the door and got a blunt "goodbye". I have been to annabellas many times and loved every experience. But if i called again and Jules was the only one working, then id rather stay at home and sort myself out. I do not recommend. She could have been having a bad day but im paying with hard earned money. Wouldnt mind a bit more effort
