Very pretty, especially if compared to many of the current roster of girls at HOD, good likeness to photos on website. Has some tattoos, speaks very good English. Romanian early twenties had a nose stud.

The Story:

I've visited her on many occasions, she is still a super hot girl. She kissed a bit but it was less than on other visits. Her blow job was nice but i could sense that she didn't want to ride me so i offered to have sex in missionary i went in slowly and moved through some missionary variations while requiring more lube. I then asked to take her from behind and it is here that she truly excel giving an arched back and an oblique look over her shoulders i was able to cum. I was cleaned up and we chatted while i recovered my breath before dressing. Would i go back? Yes she is a hot girl and communicating with her is not difficult and she has a good attitude that is only enhanced by treating her well, her personality is likeable non bossy and feminine. Also makes an effort with sexy underwear and makeup I left feeling better than when i had entered which is the whole point of paying your money for such activities imho.
