The Lady:

Her photos on MKE's website give a very good impression - bottle blonde hair, curvy build, medium - large breasts. In the flesh, I thought she looked several years younger than her reported age of 29 and though said to be Romanian on her profile, in appearance she could pass for western or central European.

There wasn't much conversation during our time together. I wasn't sure whether this was because of a limited command of the English language or whether she is of a naturally quiet disposition. Whatever the reason, there were no uncomfortable silences.

The Story:

I don't punt much nowadays having been conditioned for nearly a couple of years to maintain social distancing. In fact this was my second since March 2020 and with the way things are currently shaping up, it could be a little while before my next so I didn't want to risk disappointment. Just to be on the safe side I went thoroughly through recent FR's on P'Net to find the ideal companion and FR130689 provided me with all the assurances I needed that Kris would be a safe bet. As things turned out, this was to be proven to be correct.

According to her profile currently on MKE's website, Kris is new to the industry (and to bear this in mind) but I wouldn't have guessed - she did everything perfectly.

She dfk'd with enormous passion and enthusiasm as if she was really enjoying it with plenty of strong tongue action just the way I like it. In fact, she instigated dfk as much if not more than I which reinforced the gfe illusion entirely. She also put her heart and soul into intercourse (covered) judging by her facial expressions and body language starting with cowgirl which was occasionally interrupted with her bending down to dfk me and then moving onto missionary during which we dfk'd virtually continuously. We also found time for owo and ro but not as much as I would normally prefer as she seemed impatient to have sex and I was more than happy to go along with this.

I didn't want to come as I'd spotted Angelica on my way in and fancied spending a little time with her. With 10 minutes of our time together remaining, I asked Kris to see whether she could arrange a session with Angelica on my behalf. Kris made the booking but rather than dress immediately upon returning to the room as I'd expected, she initiated more dfk until my time was up.

As I said previously, Kris did everything perfectly.
