The Premises:

New flats on Station Approach by the mainline station. Parking could be a problem but as out of hours I parked in the offices of 'Spaces' otherwise paying for the station car park might be needed. Two door entry security system. Flat was clean and shared with others. Bedroom was clean and simple

The Lady:

There's not much to go on her Adultwork profile other than a young pear shaped lady. In the flesh Nicole is a very pretty lady a bit pocked marked in the face but lovely eyes and otherwise smooth firm body. Her tits are natural, heavy and hang a bit but attractive. She's petite about 5'4 and Romanian with good English though not perfect I'd say

The Story:

So I'd be let down by another booking who wouldn't return my calls at the booking time that was 'Sexy Rosa' from AW in Guildford. I'd like to post a warning but PN apparently doesn't accept that? So 'Sex Addicted Nicole' was a stand in. Her place easy to find and I mentioned the parking. Nicole kept me waiting 20 mins in total either finishing up or another girl busy.. don't know exactly what. Finally got up to the flat and she answered the door naked. She is young pear shaped pretty. After paying she left the room and came back to me as I was masturbating myself getting hard. She gave me a funny look and then on with the condom. She gave a pretty good suck as I stood by the bed with her sitting on it. I wasn't too into the suck job and thought I'd like to fuck her. She lent back opened wide and lubed me. I spent the next 10 minutes just fucking her that way. Laying completely on top at times hold her arse with both hands getting as deep into her as I could driving from my knees. Then back up taking it out and rubbing her pussy putting it in again getting a good view of my dick fucking her. Slow then quick I got plenty of her forced down on my cock. Think she began to be turned on. I then felt I was going to cum and should have really changed position but suckered to it and blew like a hurricane into her. We then relaxed for the remainder of the time stroking each other and I could not be not touching her. Very intimate and unexpected. Another meeting could be very interesting.
