The Premises:

The Agency's location in Aylesbury. Discreet modern apartment in quiet residential area. No visitor parking avail at apartment block and no nearby public carpark but found free parking in one of side streets a few mins walk away.

The Lady:

Very attractive with long straight dark hair. Has flawless olive skin with no tattoos or piercings anywhere (big plus for me). Guess in her 30's, Italian, 5ft 5in, size 10 curvy but toned figure with long shapely legs and wondrous all natural 38GG boobs. Greeted me in sexy black lacy teddy and platform heels. Incredible looking woman with sexy Italian accent.

The Story:

Megan has been lady I'd been wanting to see for some time but was little concerned about booking her. She looks amazing on her profile page but has no reviews I can find so was not sure what sort of experience to expect. Needn't have worried as this turned out to be an excellent punt in every respect.

Cannot remember initial sequence of activities but was mix of passionate hugging and kissing, fabulous slow and deep OWO with her gorgeous red lips, eye popping shaft and ball stroking, fondling, nuzzling and sucking on her magnificent boobs, irresistibly sensual full body massage, riding you cowgirl while stroking my balls/chest and me sucking her boobs at same time. All felt fantastic.

After break for rest and drink, asked her to put on her heels and stand up naked (which is truly jaw dropping sight) while I explored every inch of her amazing figure and ending up fondling her boobs from behind. She seemed to enjoy this as much as me, even said I turned her on - not sure if that was genuine comment or just 'bigging' me up to make me feel good but great to hear either way.

Onto bed again but this time used some nice durex massage oil while she stroked my shaft again and stroked & massaged my balls at same time. Really knows how to do this unbelievably well and feels absolute heaven & is about most perfect HJ I've ever had. Made me insanely hard with this as

she has most exquisite touch.

More OWO and kissing/hugging again before moving onto bit of doggy. Time was pressing so finished me off with fab HJ till I exploded. Had time for quick shower before leaving.

Megan is one of most amazing ladies I've met in my 20yrs of punting. Really clicked with her right from start, has such a naturally outgoing fun personality that made me feel totally at ease with her. To add to that , she is so attentive and responsive to doing what you liked sexually to ensure you have most pleasurable time ever. And if that wasn't enough , she is bloody gorgeous with fabulous sexy figure and big natural boobs. About as close to my perfect punt as is poss to be. Think I might just see her again.
