The Story:

Fantastic experience!! Paid the £20 door money and opted for Jo out of the two ladies on offer. Price for full personal service was £80 which I went for.

From start to finish this bubbly lady made me feel at ease. Started with a back massage with Jo sitting astride me which was very relaxing. Then moved on to a leg massage with the inevitable teasing in between before turning over. She stayed astride me and fondled my cock before leaning forward and beginning the most passionate kissing and cuddling I've ever had in a parlour. This led onto some fantastic oral (Without) and ball sucking before she removed her underwear and while giving more great oral moving her body round almost asking for me to finger her pussy which I was happy to oblige! (Lovely view in the mirror on the wall as well)

She really did seem to be enjoying it and it wasn't long before she climbed aboard after applying the condom and we had the most amazing sex with her pounding away while I fondled those amazing breasts with lovely hard erect nipples.

After we both came she gently cleaned me up and had a bit more kissing and it was time to go.

After the shower she stayed and chatted while I was getting dressed and saw me to the door with one final kiss. which was also nice.

A true GFE and I will definitely be returning when I can and look forward to seeing her again.
