The Premises:

I have mentioned this before to the maids, bit the room next to the window in the basement flat is not good in winter.

The heating gets so strong, it is like a sauna there. Other than that, same place as before

The Lady:

Sonia is a Romanian girl in her early 20's. Skinny and petite. The pictures are a bit deceptive regarding her proportions, but if you have fucked Effy then you would get an idea of what to expect. Her face is not my type, but she has pretty hair.

That being said, Sonia has the right attitude for this sort of job. She was very caring and engaged and happy to satisfy my requests.

The Story:

I waited for Sonia to enter the room while the heating made it difficult to be there. She entered and was happy to get started. Paperwork sorted, she proceeded to suck my cock without condom and she was very good at it. I tried to return the favour by eating that little brown pussy of hers.

She then rode me, and I was very happy to put my fat, long cock inside that tiny pussy. I got too excited but Sonia told me to slow down because she was not enjoying it. We fucked in different positions and finally came on missionary.

Sonia is a very nice girl with a super nice personality and that pornstar attitude we all look for.

Highly recommended
