The Premises:

Melinda's flat is in a six-story block at the top end of Queensway, a short walk from Bayswater tube. It's a nice clean flat, comprising a sitting-room/kitchen, bedroom and bathroom.

The Lady:

Melinda is a very attractive, mid to late twenties Thai girl, of medium height, with a lovely figure. The selfies on her website page are a true likeness to her actual looks.

The Story:

This was my first visit to Melinda. She opened the door wearing the black mini-dress I requested, and we started with an enjoyable shared shower. Into the bedroom with a lovely round of kissing, caressing, and oral and rimming both ways. Eventually we arrived at the point of mutually desired intercourse, a thoroughly satisfying experience!

I thought Melinda was great, being warm and friendly as well as very sexy.
