The Premises:

Basement flat back room 10 minutes walk from Victoria.

The Lady:

She does have dyed blonde hair and is Romanian but she facially doesn't look anything like her pictures and indeed looks 10 years older than her stated age at least. I didn't find her at all attractive and should have immediately walked as i felt catfished. Her body particularly tummy and breasts is also a bit saggier than her pictures suggest also.

The Story:

Having decided to go ahead with the punt i lay on the towel provided while she sucked my cock. To my surprise she did manage to stiffen it with the help of vitamin V. I didn't find her attractive enough to kiss and she was at best lukewarm in her attitude to giving any kind of service throughout the punt. I didn't want to look at her face so i took her from behind in doggy and came within 3-4 minutes of pumping away to be fair the view from behind was fairly good as he butt is her best physical feature. She cleaned up my condom and i put my clothes back on and decided to leave as i felt uncomfortable which she was also very happy about as our conversation seemed mutually boring. I wouldn't visit her again and i would only recommend her to someone who would feel intimidated by a hotter attractive woman.
