The Premises:

Just off Edgware Road near Marble Arch Tube. It was a large clean tidy warm cosy studio room flat with bed, sofa, ensuite shower room, off a corridor of about 5 other rooms. bit of a strange main entrance shared with back door to restaurant with restaurant staff hanging around main doorway on my visit. Metered street parking.

The Lady:

Looked about 25, profile accurate, I would say better than profile pics, half Romanian half Spanish, good conversational English.

The Story:

OMG! I had an amazing experience and connection with Zanda. Totally my body type and loved her character and personality which I found soft warm gentle loving giving sensitive yet with a confidence and experience that put me totally at ease. Everything flowed well, nothing was rushed, I felt a total acceptance and a lovingness with no rejections or no's. Zanda greeted me at her door in a sexy black bottom and top. I had a chat and shower, then plenty of loving touch, caressing and foreplay. Zanda felt/smelt amazing and her warm body and soft silky hair felt so so good. One slight downside to the whole experience was a knock on her door from some man and Zanda opening the door to her room was a little nerve racking and broke the energy we had created bit, but we managed to reconnect ok after. Going down on Zanda was so amazing, she seemed to orgasm be enjoying the experience also and got really naturally very wet easily and our sexual interactions were one off the best ever experiences I have had. Zanda's pussy, for me, is the most delightful yum yum pussy ever. Left feeling totally uplifted. Totally recommend and would have no reservations about returning. Thank you Zanda xx and thank you admiral.
