### The Premises:

A petite room at House of Divine,  
Maybe losing a bit of its shine,  
But the bed doesn't creak,  
And the furniture's chic ('ish),  
For the purpose it's perfectly fine.

### The Lady:

In walked the babe known as Bunny,  
With a smile so gorgeous and sunny,  
Hair red, features sweet,  
Body hot and petite,  
She'd give Hefners' a run for their money.

### The Story:

Bunny came in the room looking cute,  
In her lovely one piece bathing suit,  
We soon got disrobed,  
Passion never slowed,  
'Til on her my load I did shoot.

No limerick would do justice to the lovely hour I spent with Bunny. She did come in wearing a one piece and, after a nice session of dfk, we removed our clothes. Bunny kindly complimented me on the above average length and girth of my cock saying "Belive me, I know!" At my request she lay on the bed so I could bury my tongue in her juicy pussy. She then gave my cock some oral attention before rubbering me up, going on all fours at the end of the bed and letting me stand to pound her doggie style. Next a mish session but I was missing the taste of her clit so I got Bunny to sit on my face before moving into 69. Did that for ages then cooled it for a bit with some cuddles, kisses and a bit of mutual fingering and wanking. After that Bunny went on top for some passionate fucking then we did more mish, her legs wrapped around me, her tongue in my mouth and my arms holding her tight, that cute, petite body under me. Finally I decided to come on her body so wanked myself to a

shuddering and copious climax. I think we were both spent after that (well I certainly was) so just lay together stroking each other, kissing and chatting. As I've said before, I like a bit of passion and Bunny delivered it in spades. Thanks babe!!!
