The Premises:

Earls Court Gloucester Road area. Pleasant small flat on ground floor, small but cosy room, shower facilities available but did not try out. Clean and tidy, metered parking.

The Lady:

Profile description and pictures very generous, appeared about 18-20years, extremely chatty personality that I found diverted from being able to build a sexual connection and energy. Body type a bit puffy and lymphic, not particular good body tone, and a bit of a protruding belly. Warm cuddly tough, not very flexible appeared very inexperienced, not really in the experience mind constantly diverting the attention.

The Story:

Ara buzzed me in and met me at flat door in a loose dressing gown over some knickers and a top. She let me to a small cosy bedroom, was warm but could have been warmer for my likes. Ara was very chatty and conversational but it all seemed to just divert from connecting sexually. She was an ok person but I found it hard to find any sexual desire or sexual connection with her and although she had a warm touch and a loving way, it was a very plutonic type energy rather than sexual energy and it felt like she just wanted a friendly chat than anything more. We swapped a bit of massage and I did try going down on her pussy she smelt and tasted nice but seemed extremely unresponsive, there seemed no effort want or will to give energetically sexually or to intuitively connect sexually. She seems the type that needs you to tell her exactly what to do. I did not manage to get an erection during the session although towards the end after a little owc I did cum in a semi erect state just as our time was up. A slightly disappointing experience for me although Ara may be a perfect escort for others.
