The Premises:

The premises are in a quiet, upmarket residential area of Victoria, London. I arrived by train and foot, so didn't take any notice of the parking situation. The flat was very clean and tidy in all aspects.

The Lady:

Absolutely stunning young Singaporean girl. Stated on the website as 31, but looks mid-twenties at most. 5'4", very slim and petite. Perfect natural breasts, fantastic bottom. Beautiful shaved pussy. Can you tell that I quite like Apple?

The Story:

This is as good as it has ever got for me. Apple ticked all of my boxes. I like slim, petite girls - TICK. No tattoos - TICK. Natural breasts - TICK. Full fat deep french girlfriend style kissing - TICK. Being deep-throated - TICK. Having my nipples kissed - TICK. Fingering - TICK. Fingering her bum - TICK. CIM - TICK.

Apple came onto the room wearing a little red Christmassy number. As soon as I saw her full red pouting lips, I knew I was in for a treat. She started kissing me passionately from the off, reaching for my cock to stroke it through my trousers. Off came her top to reveal a perfect pair of natural breasts. She then started undressing me, something else I like (because it feels like the sort of thing a girlfriend would do). Down to my underpants, she stroked and teased my cock, before taking it out, teasing and licking my shaft and balls, before plunging it all the way down her throat. She allowed me to press the back of her head down, to ensure maximum deep-throat, with her nose squashed against my belly. Pure ecstasy.

We got onto the bed, and I couldn't stop snogging her, and caressing her silky hair. I asked if I could finger her, and thankfully she said yes. I then asked her to sit on my face, and did my best to eat her out. Can I finger your tight little bum hole Apple? No problem. I slipped a digit in, up to the second knuckle. I then asked Apple to get on all fours on the bed, face down, arse up. What a sight from behind. I splayed her arse cheeks apart to reveal her tiny bum hole, and equally tiny tight Asian pussy. I fingered both holes at the same time, and rimmed her gorgeous little bum hole. More ecstasy.

As time was coming to a close, I sat up on the bed watching this beautiful girl half my age worshipping my cock and balls. I couldn't take it any longer. Can I cum in your mouth Apple? Of course, no problem. You will show me it, won't you Apple? Of course, no problem.

This girl is going to skint me out. I'll be back, again and again, if she'll allow me to.
