### The Story:

This was my second time seeing Chelsea I saw her over a year ago but not able to see her again for various reason until now but boy was it worth the wait!

To start it was the normal hand over cash nice quick chat and shower

I came out the shower and layed on her bed and she was on me right away giving me amazing kisses with some FK

She then slowly went down my body caressing it before going for the man candy and I had forgotten how good she is at seeing to it easily the best blowjob ive ever had plenty of different techniques which was both amazing and also really helped me not to come to early.

I then asked if she wanted me to go down on her ( I like to please the lady im with) she said she thought id never ask so I went down on her for a while and she commented how good I was which put a smile on my face :)

Then it was time for the condom I went in missionary for a while this being my first punt in a long time I came after going hard for a bit and it was great! I think she will now be my regular when I have the funds for it.

to finish off a nice cuddle on the bed and a chat cuddling on the bed and chatting after sex is a really nice cherry on top for me it makes it all the more satisfying.

So to summarise Chelsea is amazing in the bedroom and also so lovely to speak to she makes you feel comfortable and pushes your buttons in all the right places! Cant wait to see her again :)
