The Premises:

A corner house on a estate in Leigh Park, Parking easy outside the house neighbourhood is not great tho, Bedroom was recently redecorated still had the linger of paint so it looked lovely . bathroom tidy but tiny with a shower thats attached to the tap and standing in the bath . she has a dog that barked outside in the garden for the whole time rather off putting lives with her daughter apparently but when asked said daughter goes out when shes working

The Lady:

5ft2, def a size 16 to 18 not a 14 /16 like she said

white

long blonde hair extensions

whole back piece tattoo and tattoos on the inside of both forearms

does not look 52 looks younger

matches her pics apart from the clever angle to make her look slimmer than she is

The Story:

gives amazing oral !!

pussy and ass so tight

met at the door in the outfit i requested

got the paperwork out the way

offered a shower

started with a amazing deep throat blow job and she can take 8 inches right down to the bottom and not gag

she then let me do oral she does not get wet so plenty of spit to lube her required

once inside so tight 10 min and i filled the bag

she took the bag off and then sucked me for a few min before starting a massage managed to get hard again and this time did anal on her

she never once clock watched and we went over the hour

would i see again maybe if there was nothing else on the agenda she is a proper milf
