### The Premises:

Premises clean and smells fresh. Well ran and looked after establishment. Parking is free and normally easy to get a space. The maids are always so welcoming and friendly.

### The Lady:

Zara is such a down to earth girl, soo humble and had a calm, relaxing and soothing voice. She gave off a good energy. About 5ft 5, slim, soft skin and smelt absolutely gorgeous. Her tits are lovely but have been enhanced but who cares, if she's happy then it's all good!

### The Story:

Got taken to the room and got undressed, quick rinse in the shower and as I was praying, as I normally do, she came in and was fascinated by the whole ritual I was doing so I offered to pray over and say a Hindu mantra and prayer. She is also religious and spiritual and wears a crucifix and a St Christopher pendant to protect her on her travels as she is not local. She even wore my prayer and healing beads. Onto the couch I got, she massaged lovely and body to body was amazing, so sexual and blew gently into my ear. I was on cloud 9 guys! I offered to massage her which she agreed and that was also as lovely. As the massage came to an end she was telling me she loves feet and she noticed my painted toe nails and liked them, so I offered to suck and lick her feet which she said would be lovely as does like that and she offered to wank my dick with her feet which was soooo nice! Then she finished with her hands and I exploded everywhere, cleaned up and showered, paid and said my goodbyes. Lads, this girl is worth a visit, you won't regret it. Zara really does know what us guys like and Zara is an absolute legend! God bless her ????????
