The Premises:

Very easy to find flat in Bayswater and one I've been to many times in the past. Cosy and comfortable, everything I needed.

The Lady:

I saw Shea about three years ago, and I can honestly say that she hasn't changed a bit. It was like walking into a time warp. Great body, very petite, with big natural boobs. A sensational well kept woman. Impossible to know how old she is really. I think she's Romanian, but one of the nice ones who have been around for a while and enjoys what she does. Speaks very good English and she's a lot of fun to be around.

The Story:

It was a busy night for Shea all told. When I arrived she was running late from her last booking and I was asked by her flatmate if I could come back in 5 minutes. Not perfect, but easy enough for me to walk around the block. When I arrived she was completely naked. Not what I had planned, but welcome none the less. I like my girls to have some sexy outfits on or some lingerie, but Shea's body really is something else. And when you consider that it's only a £150 booking, it's not a big problem.

Started the show with an amazing blow job, just how I remembered it from last time. She positioned herself on the side so I could play with her big natural tits. This went on for quite some time, until she got on top of me for some cowgirl action. Great to play with those tits again and watch them bounce around as I fucked her nice and hard. Ended the session with her on her front and me going at it from behind with her laying down, legs closed. Nice and tight with a great view of her perfect ass and sexy tattoos, and my hands cupping her massive tits.

A nice booking, with a nice girl. She actually remembered me from three years ago! I couldn't believe it!
