### The Premises:

Kiss is in Earls Court in a nice and easy to find apartment. Comfortable and clean.

### The Lady:

Kiss is the girl in the pictures, and she is sensational. Beautiful smile, one of the best I've ever seen. I've seen her before about two years ago, and had to see her again. She kisses like an angel. Her body hasn't changed a bit, she's small in height, with lovely curves, and great boobs. Speaks pretty good English, very cheerful and friendly, and genuinely into what she does. A real catch!

### The Story:

Kiss was wearing a silk robe with a tiny g-string beneath and white bra, heels and knee high stockings. She looked amazing with all her long hair free. The kissing began almost immediately, and it was long and passionate. Just how I remembered her before. She dropped to her knees and took me in her mouth and sucked my nice and wet and deep. I moved us onto the bed where she continued to go to work on me, before I decided to return the favour. I went down on her for a while before we went into missionary. Kiss is a very tactile woman, and loves to be held. I remembered from last time and I gripped her tight and kissed her passionately as we screwed. It really didn't take her long to climax, and she does this with the sweetest of Russian phrases that I really do have to learn. I must have been perhaps her first client of the day or something, she was very pent up and ready to explode, I could tell.

We went at it in spoon position for a while too, with me holding onto her boobs. She feels so good in this position and fits perfectly. Again lots of kissing was enjoyed. I took her from behind briefly, but I had to see her face again. I'm telling you, it's her eyes and the way she looks at you that makes you want to cum. Crazy beautiful. She finished me off with more great OWO and a very wet wank straight into her mouth. Perfect!
