### The Premises:

Above a real estate agency, clean enough.

You had to go up a set of steps around the back, fairly private though with the amount of foot traffic of blokes going up those stairs probably gave it away.

### The Lady:

Maybe it was just me but Bunny didn't 100% match her pics.

None the less still a fairly pretty girl, very petite and tiny in height with a good body.

### The Story:

Bunny came in the room and immediately gave off a very warm demeanor.

We stripped down and started with some very passionate kissing while standing.

After a few minutes we moved to the bed where she gave me some good head and then switched to 69ing for a bit.

Eventually covered up and went to town in doggy, missionary and cowgirl before she wanked me to finish on her boobs.

Overall Bunny is a great girl who makes you feel important and is able to have normal conversation with you after without it feeling awkward.
