The Premises:

6th floor flat at northernmost part of Queensway, lift not working of course! Parking ok in the evening, just round the corner. ULEZ charge but not congestion. Immaculately clean and surprisingly spacious flat, very good shower facility room for only one i would think.

The Lady:

Attractive, natural thai lady with perfect figure, and an everlasting smile. Reasonably close to photos on website, as she was wearing only a little makeup.

The Story:

Lovely GFE. She seemed a little shy, even nervous to begin, but as we got to know each other, she became perfectly responsive, for what was my first booking since the start of the pandemic. Continuous, soft and sensuous bj for 30 minutes, I promise, non stop - just what the "doctor" ordered!!!

We decided to leave lots of stuff for a future visit, in the very near future no doubt, but on the evidence so far, I can't recommend her highly enough.
