Soft Touch is based in a Northampton on an industrial estate, very easy to find with parking outside or a little further away if preferred. I had the executive room which is nice and big with a shower, jacuzzi, massage table and large bed

The Lady:

Mia is a gorgeous blonde with beautiful blue eyes. Stated size 10 probably accurate, lovely soft skin, Mia has natural beauty. Thanks hoots are blurred but it's obviously her

The Story:

I visited Soft Touch once before a few years ago when I booked Angelica but was sadly I'll on the day and was offered Finn instead (who was great).

I booked for 3.15pm but the traffic was a nightmare, I called ahead to let them know I would be about 15 minutes later and the friendly maid on the phone advised that was no problem.

I arrived dead on 3.30 and once buzzed in walked up the stairs to the parlour.

The gorgeous maid (wish she was available) was really chatty and friendly, very welcoming.

I handed over the £40 parlour fee (the girls get the remaining £80) and Mia appeared in a sexy Santa outfit and stockings.

A mix up with the room was quickly fixed and she led me to the executive room (if you go have fun with the tight spiral stairs!)

Right from the start Mia was very friendly and chatty, really easy to get on with, immediately felt like I had known her for a long time (we had actually been exchanging messages on twitter for sometime, due to Covid and other reasons it took a time to actually get round to seeing her!)

I had a quick shower (required) and laid on the massage table while she went to get me some water.

She returned and stripped off and gave me a lovely back and leg massage while we chatted. I was soon feeling relaxed.

She prompted to turn me over and massaged my front and played with my cock, seems I was too relaxed!

We opted to move to the bed for some fun and she started to fill up the jacuzzi.

Mia is a fantastic kisser and I soon began to get hard. Mia gave some fantastic owo with some DT and I was soon nice and hard. I suggested some 69 which she happily obliged and I licked her

lovely pussy while she returned the favour. She's great at this and soon made me cum!

We chatted for a bit while we waited for the jacuzzi to fill up a bit more.

In the jacuzzi Mia gave another great back massage there with some more DFK and played with my cock some more, it felt great relaxing in there with her. The conversation flowed the whole time.

We moved to the bed for some more fun. She gave some more fantastic owo before slipping on the rubber and entering her in missionary. Mia had a gorgeous tight pussy and she made all the right noises with lots of eye contact.

After a while we stopped and she offered to try and finish me off with some more owo and a hand job. Again constant eye contact with those beautiful eyes but sadly I couldn't manage one more time (definitely not down to her!)

Another quick shower and I was on my way (when I got outside I noticed the time was now 3,48pm so definitely no clock watching here!)

It was great to finally meet Mia bed definitely with the wait. She mentioned she has lots of regulars and it's easy to understand why. She's a beautiful girl with a lovely personality. Highly recommend
